25X1A 25X1A	has informed me that a detailed program presentation is scheduled for NRO on the 10th of December. This presentation will be on all of programs.
25X1A	I discussed with in general terms the content which should
25X1A 25X1A	be included in such a presentation. I emphasized, for example, the gaps in the System 16 information in which the airborne recorders and the Data Processing System are not defined. felt that the responsibility for these areas rested in other parts of OEL but I pointed out that GSD people these areas rested in other parts of OEL but I pointed out that GSD people these areas rested in other parts of OEL but I pointed out that GSD people these areas rested in other parts of OEL but I pointed out that GSD people these areas rested in other parts of OEL but I pointed out that GSD people these areas rested in other parts of OEL but I pointed out that GSD people these areas rested in other parts of OEL but I pointed out that GSD people these areas rested in other parts of OEL but I pointed out that GSD people these areas rested in other parts of OEL but I pointed out that GSD people these areas rested in other parts of OEL but I pointed out that GSD people these areas rested in other parts of OEL but I pointed out that GSD people these areas rested in other parts of OEL but I pointed out that GSD people these areas rested in other parts of OEL but I pointed out that GSD people these areas rested in other parts of OEL but I pointed out that GSD people the parts of OEL but I pointed out that GSD people the parts of OEL but I pointed out that GSD people the parts of OEL but I pointed out that GSD people the parts of OEL but I pointed out that GSD people the parts of OEL but I pointed out that GSD people the parts of OEL but I pointed out that GSD people the parts of OEL but I pointed out that GSD people the parts of OEL but I pointed out that GSD people the parts of OEL but I pointed out that OEL but I pointed out the OEL but I pointed out
